We're celebrating Idaho Family Reading Week with a book give-away for kids ages 3-12! Here's how to participate:

1) Pick A Project

Ages 3-5: Choose either the Indoor Scavenger Hunt or the Neighborhood Scavenger Hunt (or try them both!) and circle the items you find. Pick up a printed copy at the library!
Ages 5-8: Make a Marble Maze. Grab-and-go starter kits available at the library. Find video instructions on **salmonlibrary.org** or the Salmon Public Library **Facebook** page.
Ages 8-12: Build a Marble Run. Grab-and-go starter kits available at the library. Find video instructions on **salmonlibrary.org** or the Salmon Public Library **Facebook** page.

2) Complete Your Project

Have fun! Take a picture of your project once you're finished. (Child does not have to appear in the photo)

3) Send Us Your Photo

Email the photo to **salmonlibrary1@gmail.com** OR send it to us on **Facebook Messenger**. Include the following information in your message:

- Child's Name
- Parent/Caregiver Name & Phone Number (so we can contact you w/ pick-up instructions)
- Child's Age / Reading Level (so we can pick the right book!)
- Please let us know if you **do not** want the photo shared on social media for any reason

4) Pick Up Your Book!

We'll give you a call at the number you gave us when your book(s) are ready for pick-up! Swing by any time to grab it.
